We use our best professional judgment and experience in assigning your child to his or her classroom. We take many criteria into account when making this placement, including but not limited to; your child's gender, age, compatibility with students, previous teacher recommendations as well as the class size. When possible, we like to have a balance of children having their first school experience with more seasoned school children. Requests for your child to be placed with a friend will be considered, however, we will not accept requests for teachers. Your child's final school placement is at the sole discretion of the administration of The Margaux Early Childhood School. There will be no changes made prior to the school start date.
